

Design Competition

Entrants Name: _____

Age: _____

Parent/Guardian Name: _____

Phone number: _____

We are undertaking a new plan for our library and would LOVE your ideas on how we can transform it into a place where we can create, study, engage, and imagine! Complete the activities below and go in the draw to win a \$100 Woolworths gift card.

Draw a picture to show us what you would love to see and do at the library!

Is it reading on the floor, listening to story time, playing a game, drawing and crafting, OR something else entirely?

Are there people you like to do this with or a special place in the library you love to do this in?

What colours will help you create, study, engage and imagine?

What colours make you feel excited?

What colours make you feel calm?

What colours make you feel angry?

What colours make you feel scared?
