- Summer/Winter schools – Council should not support more than two places a year.
- Publishing costs – requests for grants to publish books should be directed to organisations that provide print-on-demand services. Exception: Capital items can be funded only when they are included as part of a project application and when the RADF Committee considers the purchase integral to that project and where the item will remain available for community use.
- Project management or administrative assistance costs.
- Recurrent funding for arts organisations – operational expenses are ineligible under RADF including wages for permanent staff and office expenses. Please call your cultural service organisations to find out what services they can offer you that are not 'core businesses'.
- Operational expenses are ineligible under RADF including wages for permanent staff and office expenses except where they can be directly related to the project.
